

Grendon CE Primary School

Nursery places available for 3 year olds for September 2017 and September 2018

Schools Awards 2017

Shortlisted

Creative school of the year

We are delighted to be able to currently offer places in our nursery setting for September 2017 and 2018, providing nursery aged children with the opportunity to join our award winning school.

Set within our outstanding primary school, the Early Years provision comprises a single class of Reception and Nursery aged children, led by a qualified teacher and supported by highly qualified and experienced teaching assistants.

If your child starts their Reception year in school in September 2018, then they are eligible for a place in our Nursery Setting from September 2017.

If your child starts their Reception year in school in September 2019, then they are eligible for a place in our Nursery Setting from September 2018.

In both cases, we would like to invite parents to visit our school before the forthcoming summer holidays, with a view to enrolling your child in our Nursery at the start of the academic year so that they can receive the full benefit of being part of Grendon CE Primary School.

Nursery places are limited and so contact us now to register your interest or arrange a tour of the school.
